SKINCARE RANGE

About US

**Aloe Unique exists to simplify skincare. We keep the daily routine to the essential that gently nourishes and nurtures the skin.**

**Innovation** is our inspiration and **exclusivity** are one of the keys to our success. Our main goal is to create high-quality products drawn from our home-grown natural elements.

**We are inspired by the power of nature;** therefore, Aloe Unique believes that nature has the answer to all our beauty needs. We recognise the healing, moisturising and regenerative potential inherent in nature, and by harnessing these elements, **we have a well-developed range of products that has a solution to all skin problems. Aloe Unique products are enriched with Vitamins & Paraben free.**

**We want to obtain top-quality Aloe Ferox enriched products,** that is why we care about the ingredients that we put in our products. Our formulations are free from obvious toxins and controversial synthetics.

We are committed to the protection of natural resources and to reduce negative impact and stress on the planet. **We do not test on animals.** We use packaging that **can be recycled or reused.** It is important to us that **we empower local communities.**
