Moorlife products has gained recognitions from National and International organization such as FDA (Food and Drug Administration), that is an official agency in charge of regulating food and dietary supplements in the United States.

Moorlife products are produced by companies that have received a quality management system certification from international certification body. ISO 9001 is a certification for a quality management system that refers to ISO (International Standard Organization) rules.

MOORLIFE products are covered by the Moor Lifetime Guarantee, which means that Moorlife products that are damaged due to normal use (according to their function) can be exchanged for free at the office of the CEO, CMN Gallery or the nearest CMN Center.

All damages including damage to broken Moorlife products (Shattered / Cracked / Torn) can be replaced under the **Moor Lifetime Guarantee** claim, except:

CRACKED

The product is cracked / broken due to the impact of a hard object.

CURVED

The product expands or warps as a result of being filled with hot liquid the extreme.

STAINED

The product changes color due to leftover food / drink difficult to clean the stain.

SCRATCHED

The product is scratched by the impact or friction of objects, or make a mark like a sharp incision.

MELTED

The product changes shape due to influence hot objects around it.

BITED

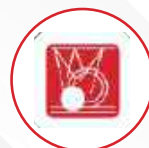

The product is damaged / defective due to animal bites.

Foodsafe

Leadfree

Dishwashersafe

Microwavesafe

Freezersafe

Nontoxic

BPAfree

ISOstandard

* Products that are **not included** on Guarantee are:

- Products with printed images
- Bag products
